Staying with our Faith and Staying safe!

The Grand Knight's message:

Brother Knights, we're going through some difficult times. Finding the balance between our duties as Knights and keeping ourselves and our families safe isn't easy. Supreme is asking us to go into the breach to help our neighbors if food or medications are needed. I'm proud to say some of our brothers are doing this without being asked. I'm asking if anyone does step out to help please follow all the safety rules to protect yourself and your loved ones. I spoke with Father Vic concerning Palm Sunday and offered on behalf of the Council to bring palms to parishioners who are ill or who are on the shut-in list. The palms could be left on their porches. Father will post this offer on the Church website. If you know of anyone that could use something from the store or drug store please let me know. Deputy Grand Knight Steve and a couple

of our younger Knights offered to help. Neal is still delivering bread to the various shelters. Brothers, if there is a concern you are aware of that the Knights could assist with please give me a call. In the meantime please take advantage of all our Church has to offer on line, including Sunday mass. I'll be in touch as the need arises.

Vivat Jesus,
Rich Steffens, Grand Knight
